DEDICATION

We, the class of June, 1972, dedicate our yearbook to the future graduates of Arts High School. We hope that you will make the best of your years at Arts and use them to build a life of Peace, Health and Wealth.

ADMINISTRATION AND FACULTY

MR. HILTON J. OTERO, B.A., M.A.
Principal

Mr. Otero, formerly head of the language department at Barringer High School, has proven to be a kind and understanding administrator. His concern and willingness to go more than halfway to meet those who need help has earned him great respect and admiration. We hope that future students and graduates of Arts High School will reach out to gain as much from him as we have.

MR. GEORGE STEISEL, B.A., M.A.
Vice-Principal

To be vice-principal of Arts High School is no easy task. Many long hours must be devoted to complete the jobs necessary to keep the school going. A vice-principal must be patient, strong, and sincere. Mr. Steisel possesses these qualities and much more. He is regarded by many as a true friend who is willing to listen and offer advice as needed. We hope that many future graduates have the privilege of knowing Mr. Steisel.

SENIOR CLASS ADVISER

MR. JAN CARDEN

The Senior Class of 1972 has come to an historic first; we are at a loss for words. We can hardly find the ones to express our thanks to a person who has done so much for us. For two years, as our Junior and Senior Class advisor Mr. Carden was always there with guidance, patience, and understanding. Even when things got tough, and we seemed to be getting nowhere, he was always there to pull us together.

So Mr. Carden, for your concern, advice, and patience while trying to cope with us and our problems the Senior Class of '72 would like to say a simple, but sincere, "thanks".

SCHOOL ACTIVITIES

Sitting: Russell Gaines, Martin West, Denise Harris. Standing: Reginald Smith, Mr. Carden.

The 3-Dimensional Art Club was formed by Mr. Jan Carden for the purpose of providing art and music students with the opportunity to experiment with materials and techniques which cannot be used in the classroom. It also gives students the opportunity to complete works started in their regular classes. Modeling, carving, collages and plaster casting are some of the activities that were enjoyed by this small, but lively group.

3-D ART CLUB

Anthony Hall, Robin Nathan, JoAnn Graves, Michael Goodwin, Mr. Benevento.

The photography club, which is composed of a small but talented group of students, meets after school and on Saturday mornings. Each student learns the mechanics of a camera and learns to process the pictures he takes. Many different techniques are learned to develop a photograph in creative ways. The students are encouraged to interpret their own environments through the medium of film. The fine quality of the photographs is evident when the annual showcase exhibition is viewed. The group is advised by Mr. Julius Benevento.

The M. Bernice Hamilton chapter of the National Honor Society has been a fine tradition at Arts High School for many years. It is comprised of juniors and seniors who have attained a high academic average, and displayed outstanding character, leadership and service to their school. This year, the Honor Society has been working closely and successfully with the Student Betterment Committee. They have served Arts High in tutoring programs and at various social and educational functions. The society is under the capable supervision of Mrs. Venskus.

NATIONAL HONOR SOCIETY

To be a member of the orchestra is the goal of many Arts High School instrumental students. Two performances, the Winter and Spring Concerts, are given in the school auditorium each year.

In addition, there is the usual appearance at the Kiwanis Club, which is done in conjunction with the chorus in order to get scholarships for our students. Over the years, Arts' Orchestra has been acclaimed as delightful and extremely professional sounding. For this we pay tribute to Mr. Rocco Pesile, our conductor, who because of unfortunate circumstances was unable to be with us during the latter part of 1972.

ORCHESTRA

We, at Arts High, can be justly proud of this energetic and superior group of performers. They are gaining more and more acclaim as they perform for schools and organizations throughout New Jersey. The Black Dance Troupe combines originality with ancient dance techniques to create a highly personal, vibrant style. Guided by Mrs. Jeanne Tso and put through their rigorous paces by leaders Cerestine Melvin and Bryon Onque, the dancers express very beautifully what joy there is in being black.

BLACK DANCE TROUPE

Top Row: Donna Lee, Miss Cuyler, Donna Glover. Middle Row: Heather Lee, Margaret El, Denise Harris, Vivian Hinch, Patricia Davis. In Center: Judy Smith.

The Interpretive Dance Club was started this year by Ms. Cuyler. Its purpose is to create excellent dancers and graceful young ladies. Today's rhythms are expressed in their well-formed movements which enhance the eye and stir the spirit.

INTERPRETIVE DANCE CLUB

Standing: Dorette Pugh, Kim Cradshaw, Karen Hillman, Patricia Davis, Sandra Forest, Carolyn Lowe. Sitting: Margaret El, Shelley Jackson, Neptune Pringle, Naomi Stokes, Mrs. Abend.

The Spanish Club was organized to help students to get acquainted with Spanish history, culture and language in the relaxed and easy-going atmosphere that is present in a club activity. Dancing and listening to music is also enjoyed by this small, but interested group of students. Mrs. Mary Abend and Mrs. Norma Edreira are the advisors.

SPANISH CLUB

Cynthia Gardner, Valora Howell, Deborah Campbell, Mrs. Feldman.

The French Club, supervised by Mrs. Feldman, is organized to acquaint the students with the culture, customs and history of France, so that the students may develop a better understanding of French society and language. Activities include reports, games and field trips. The Club has proved to be very beneficial to those students who are members.

FRENCH CLUB

Standing: Jeff Foushee. Sitting: Danny Santos, Frank D'Arc, Jorge Piza.

The stage crew, headed by Jorge Piza, sets up the stage for every occasion for which the auditorium is used. They also give assistance with manual labor and carpentry work, guided by Mr. Marcus, advisor. Other senior members are Frank D'Arc and Jeffrey Foushee. Ford Weinberger and Douglass Austin are also members of this hard working and essential group of young men.

STAGE CREW

Arts High Theatre Workshop is a basic introduction to the arts of acting and directing, with some study of scene construction and design. Students learn performance techniques through improvisation, mime and concentration exercises. Performance and evaluation of short scenes and improvisational skits help the actors and directors to develop their skills. Major productions this year were "Homecomin'" by Otis Chancey, and "Do Ya Thang" by Lavern Miller.

THEATRE WORKSHOP

Donell Quinitchette, James Rufflin, Paulette Halstead, Mrs. Venskus, Howard Broaddus, Robbynne Archia, Johnnie Myers, Derrick Buchanan.

Who's in the lab mixing up those mysterious concoctions? They are members of the Science Club, a group formed to help promote interest in the sciences. This club has been active for merely two years, but it has established itself firmly as an important part of Arts High School. The students' biggest accomplishment this year was the creation of a sound box, an instrument when attached to a radio or stereo produces various colored light formations. The group plans also to beautify the school by planting flowers and grass. The advisor is Mrs. Venskus. The officers are Lowell Bishop, President, Lorraine Byass, Vice-President and Howard Broaddus, Treasurer.

THE SCIENCE CLUB

Larry Belfiore, Robbynne Archia, Derrick Buchanan, James Rufflin, Howard Broaddus, Alida Moscone, Mrs. Mary Venskus, Johnnie Myers, Paulette Halstead, Mark Tucker.

Members of the Lab Assistants Club help in the preparation and distribution of materials for chemistry labs, and perform classroom demonstrations. They are dedicated chemistry and physics students who receive additional instruction before and after school. They assist students who are in need of help as well as performing housekeeping chores, and collecting homework. Mrs. Venskus is the hardworking advisor to this interested group of students.

LAB ASSISTANTS CLUB

Standing: Pamela Hudson, Jackie Koonce, Patricia Lanton. Middle: Janice Rowe. Front: Cheryl Johnson.

The modern dance club is an organization formed last year for the young men and women who have found that their interest and energies lie in the art of modern dancing. This activity tunes up the body and provides a unique form of entertainment. Chairman Cheryl Johnson and co-chairman Jackie Koonce teach the techniques and routines necessary for success in modern dancing. Mrs. Elizabeth Stiller provides them with experienced supervision.

MODERN DANCE CLUB

The Girls' Tennis Club is open to all girls who attend Arts High. The team presently consists of 34 girls and is supervised by Miss Ruth Meyerson. Practice is held twice a week at West Side Park. The girls are taught many necessary skills and techniques to improve their game. Tournaments are held at the end of the season. Letters are awarded to girls with two years' participation. Three year veterans receive pins. Girls who have participated for four years receive special awards.

GIRLS' TENNIS CLUB

Inez Linton, Ivy Wallace, Willie Cole, Howard Broadus, Sharon Bey.

Truth and Soul has had a second successful year at Arts. It is a school newspaper which is completely run by students. There is no faculty advisor. There have been some major changes this year in the types of articles that were written and in the methods of distribution. Among the crowd-pleasing departments are community and in-school news, feature articles and the ever-popular gossip column. Co-Editors-in-Chief are Howard Broadus and Willie Cole.

TRUTH AND SOUL

The Varsity Club is one of the largest and most enthusiastic clubs in the school. All young men who have received a varsity letter in any sport are eligible to become members. Girls who have obtained a letter for Cheerleading are also invited to become active members of the club. Mr. John Lang is the faculty advisor. Under his direction, the aim of the group has been to increase and support all school athletics and social functions. The highlight of the year for the Varsity Club will be its annual sports awards dinner held at the close of the spring athletic season.

VARSITY CLUB

CHORUS

The halls of Arts High ring with the sound of music coming from room 310, the chorus room. When its 320 members assemble on our stage, it's an overwhelming sight! Accompanied by Miss Loeb, they have provided music for Homecoming and the Spring and Winter Concerts. In addition, they also put on a Sunday afternoon performance of the Oratorio by George F. Handel entitled "Israel In Egypt". Mr. Howard has worked hard to produce the good quality of sound that is characteristic of our chorus.

BAND

Arts High's Concert Band has had another very successful year. With a little help from Mr. Singer and a lot of hard work from everybody, piccolo to tuba, the Band has admirably performed selections from "Purlie", "West Side Story", "Swing Bolero", "Symphony #5 in E minor", "Colonial Rhapsody", "Theme from Offenbach" and a piano concerto with Derrick Buchanan as soloist. The spirit and rapport between the members of the Band and the conductor was evident to everyone who witnessed their fine concerts.

MARCHING BAND

GIRLS' GLEE CLUB

Membership in the Girls' Glee Club is open to all female students of Arts High who enjoy singing and performing. The members meet, under the direction of Mrs. Shapiro, for one period after school, twice a week. It provides an opportunity for the girls to learn the fine subtleties of three part harmony. Their performances in the Winter and Spring Concerts have been very enjoyable.

STUDENT COUNCIL

Student government is alive and well at Arts. The Student Council along with the entertainment, student awareness, community involvement, publicity, service, school betterment committees and the pep squad task force have been working hard this year. The council, led by Derrell Fennell, Mayor, and Ernest Gooden, Deputy Mayor, has been responsible for a successful voter registration drive, more active student participation, and a school beautification program. Our governing body, a part of the NewArk Student Federation, hopes to eliminate final exams for students who maintain a B average. Mr. Mitchell Keil expertly acts as advisor. Marilyn Davis, Secretary, and Florine Chance, Treasurer have contributed a good deal toward a most successful year.

Each member of the squad will receive a full sized varsity band letter. The twirlers made their '72 debut at the annual basketball pep rally. Accompanied by the "in" sound of Scorpio, they were cheered by students and faculty alike. They also gave noteworthy performances at basketball games and in the annual Crispus Attucks—Martin Luther King Parade.

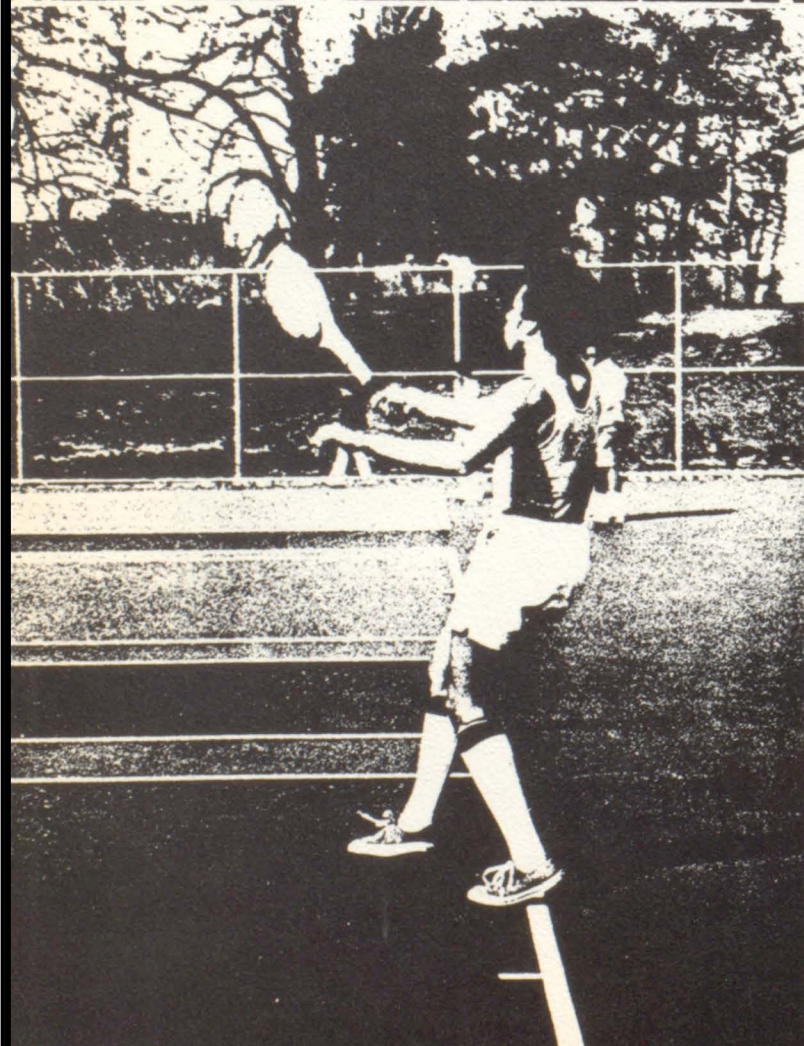

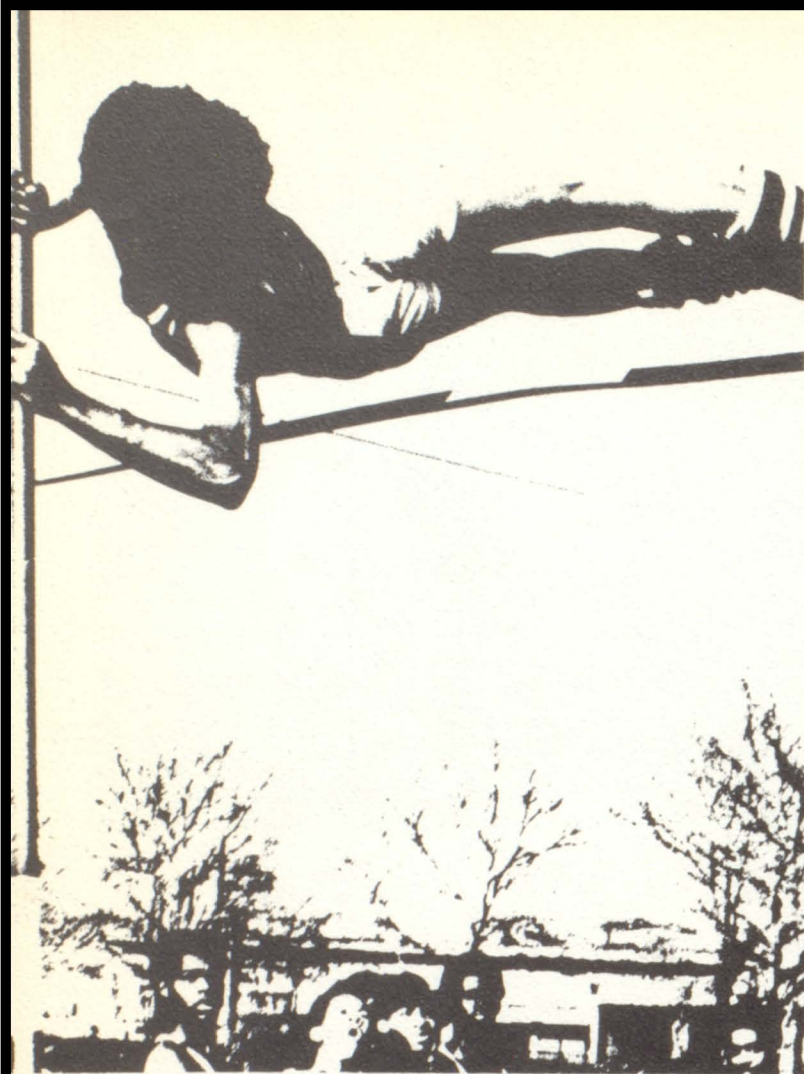

VIGNETTE STAFF

LITERARY

This year's Vignette Staff may have had only a moderate number of regular workers, but the work that was necessary to produce a memorable yearbook was mammoth. Through the tireless efforts of Danny Santos, Frank D'Arc, Sharon Rogers and Advisor Mr. Benevento, the layout of the book and the photographs were accomplished. Lynne Thomas, Ellen Nicolas, Gail Brown, Paul Nickerson and others shared with Mr. Carden the many problems of writing and compiling a record of the events and people who helped make the school year 1971-1972 a memorable one. We would like to express our thanks to juniors, Robin Nathan, and Michael Goodwin for their invaluable help in the development of photographs.

A R T

CHEERLEADERS

Diane Holt, Cerestine Melvin, Gwen Garrison, Joanne Britt, Marilyn Davis, Pamela Rogers, Paula Jenkins, Carolyn Davis, Bencilla Campbell.

This year, as never before, the spirit and enthusiasm of the Arts High student body was very evident at ball games. Much of the credit for the increased support must be given to this superior group of cheerleaders. Great perseverance, endurance and patience is necessary to develop the skills needed to perform adequately. These girls possess all of these qualities and more. Under the direction of their faculty advisor, Miss Abos, and their captain, Pamela Rogers, the cheerleaders were a "plus" at every game.

BASKETBALL TEAM

The 1971-72 Arts High Basketball Team had a tremendous season considering the tough competition that these young men had to face. In each game they played, they lacked height, but compensated for this with agility and speed. High scorer and captain of the team, Bernard Brooks and his co-captain, Ronald Sinkler kept the team spirit high. They went to each game knowing they could win. The team was coached by Mr. August Alamo.

Lowell Bishop

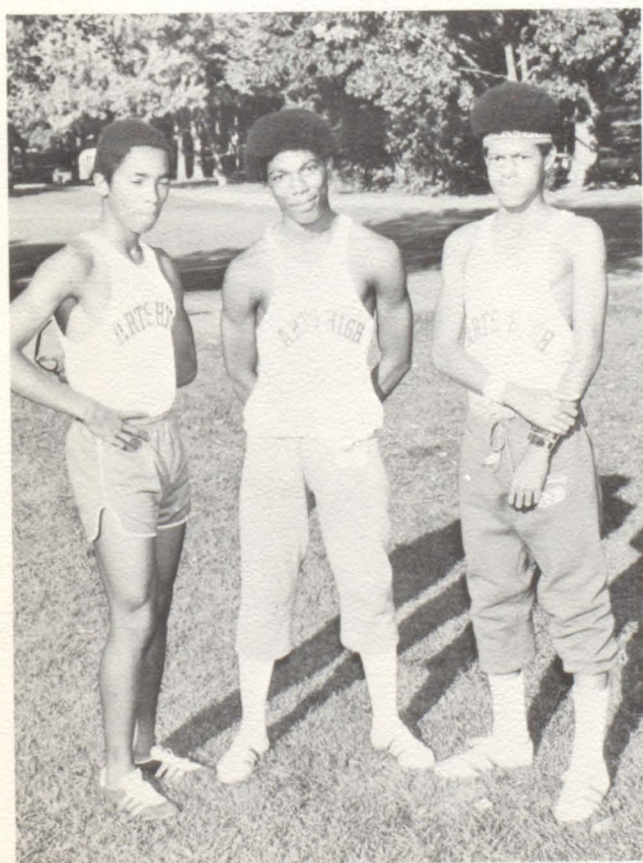

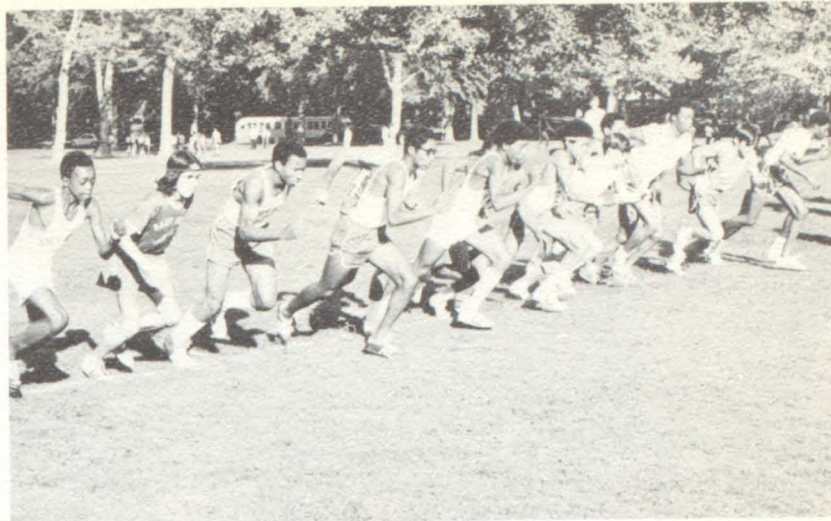

Last September, October and November, a hardy group of Arts High athletes ran at least five miles every practice session, rain or shine. Just try that! Much to cheer about took place during this, their second season. They won 7 out of 8 meets, and placed second in the city. The top runners went on to compete in the Essex County meet late in the season. Arts placed 13th out of 23 teams. The Cross Country Team also placed 10th in the New Jersey Group One State Sectional meets . . . Not a bad season at all. The new J.V. Team placed a very respectable 4th, with Ronald Thompkins and Theron Mays receiving medals.

Standing: Mr. Marcus, Alfred Cunningham, Leonard Chislum, William McCoy, Richard Willis, Kenneth Daval, Johnny Myers, Tyrone Page, Henry Jordan, Gregory Atkins. Kneeling: Theron Mays, Shelton Myers, Darryl Wade, Ronald Thompkins, Lamont Yancey, Solomon Jackson, Michael Coplin.

CROSS COUNTRY

Kneeling: Jeffrey Jones, Manuel Tavares, Larry Belfiore, Mark Tucker, Jack Fernandez, Jorge Piza. Standing: Mr. Alamo, Alfred Davis, Alvin Little, Glen Taylor, Jeff Foushee, Danny Santos, Timothy Bynum, John Stewart, Robert Lewis.

This year's soccer team can certainly hold its head high and be satisfied with a job well done. They were aided by the calm guidance of Mr. August Alamo. At every home game, large crowds of Jaguars thrilled to the sight of spectacular plays by goalie Mark Tucker. Halfbacks Jeff Foushee and Marty Byers seemed to be all over the field. Larry Belfiore and Jeff made All-City second team. Although this year's team did not enjoy a winning season, they certainly proved to be a dedicated group of athletes.

SWIMMING TEAM

In the water: Nathan Faulks, Leonard Randolph. Sitting: Marcel Rodrigues, Barry Frazier, Lance Webb, Richard Battle. Standing: Coach George Landers, Alan Jones, Daniel Fordham, Team Captain Donald Mobley, David Sneed, Manager John Miller and Mark Tucker.

The swimming team continued its winning ways this season posting a record of 7 wins and 4 losses. The team was led by high scoring senior Mark Tucker and Captain Donald Mobley. This is only the third year that the swimmers have been coached by Mr. George Landers, yet it is evident that the team has been molded into a whole new image. The highlight of the season came during the city meet. The 400 meter relay team, consisting of Donald Mobley, Lance Webb, Richard Battle and Mark Tucker made a fantastic effort to come from behind and take a second place. Each member of the relay team received a silver medal for his effort.

FENCING TEAM

Theron Mayes, Devis Lawrence, Manager Tony Martin, William McCoy, Lamont Yancey, Reinaldo Padilla, Coach Lippitt. Kneeling: William Allen, John Dreher.

One of the most fascinating sports at Arts High is the Fencing Team. It is the only sport that is electronically judged. On the tip of the sword is a electronic button. The sword is connected through a network of wires to a machine which flashes red or green when a point is scored. This point is only made when the tip of the sword touches the metallic jacket of the opponent. The team, under the coaching of Mr. Lippitt, had a record of six wins and eight losses. John Dreher, Captain, took third in the city on Strip A, which consists of the best players in the league. The J.V. team members all look promising.

The Girls' Track Team is something new at Arts. It is a sport that girls have long awaited. It was formed this year to broaden female athletic activity and to teach fair play. Under the supervision of Mrs. Lucas and the tough coaching of senior, Jeffrey Foushee, the girls' track team has had a successful first year, with many future track stars to come.

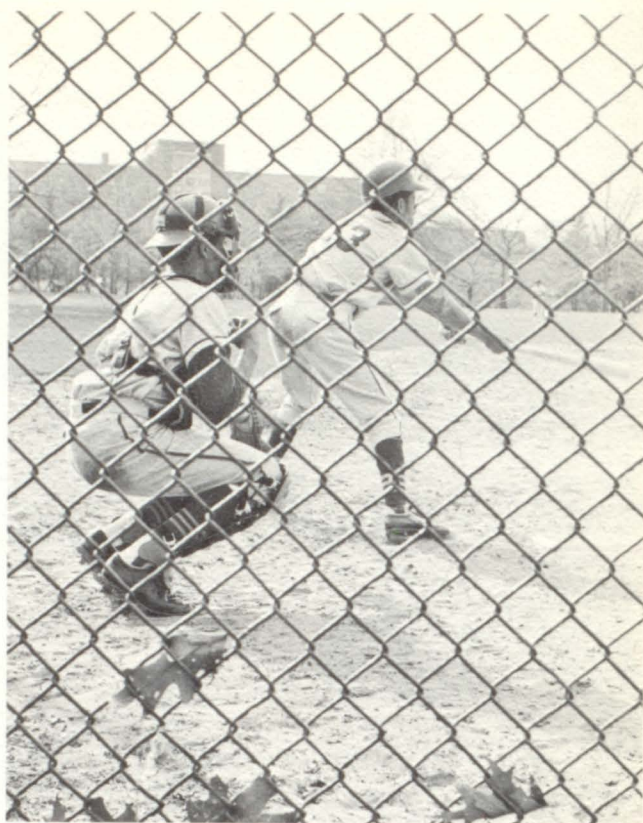

Standing: Jeffrey Foushee, Nannette Mason, Phyllis Glasgow, Harriet Hamlin, Valerie Hayes, Charlotte Brown, Janice Rowe, Beverly Jones, Audrey Alston, Rhonda VanDiver, Griselda Mitchell, Mrs. Lucas. Kneeling: Robin Stone, Janice Holt, Michelle Johnson, Geraldine Gilbert, June Bradford.

GIRLS' TRACK TEAM

Baseball Seniors: Kneeling: Larry Belfiore, Harold Johnson, Marty Byers. Standing: Mark Tucker, Paul Nickerson, John Miller.

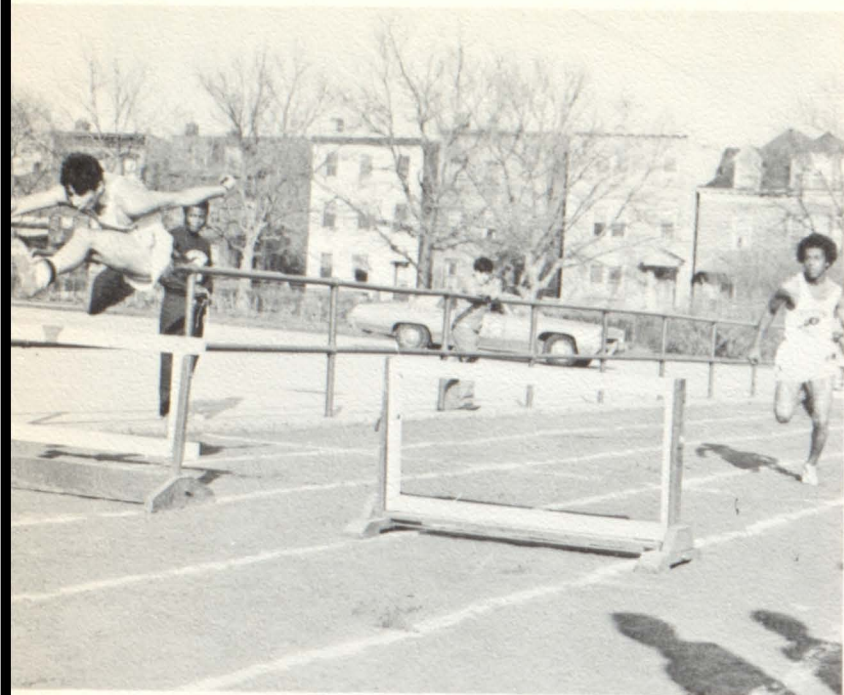

This year's baseball players have a lot going for them. As captain and number one pitcher, Larry Belfiore will lead his team into a season of victories. With him are the powerful hitters, Marty Byers and Mark Tucker. Marty also performs well as catcher and Mark is great at first base. Tightening up the outfield is John Miller. The team consists mostly of juniors, but the above mentioned players are seniors. Coach Lang has high hopes for this year's team, the strategy being to win the Vo-Tech League championship, and to pull out a great year.

Bottom: Mark Tucker, Bruce Maxwell, Larry Belfiore, Kevin Simmons, Harold Johnson, William Knight. Standing: Eddie Armour, John Miller, Lance Webb, Jeffrey Jones, Paul Nickerson, Kevin Dean, Marty Byers. COACH—John Lang.

VARSITY BASEBALL TEAM

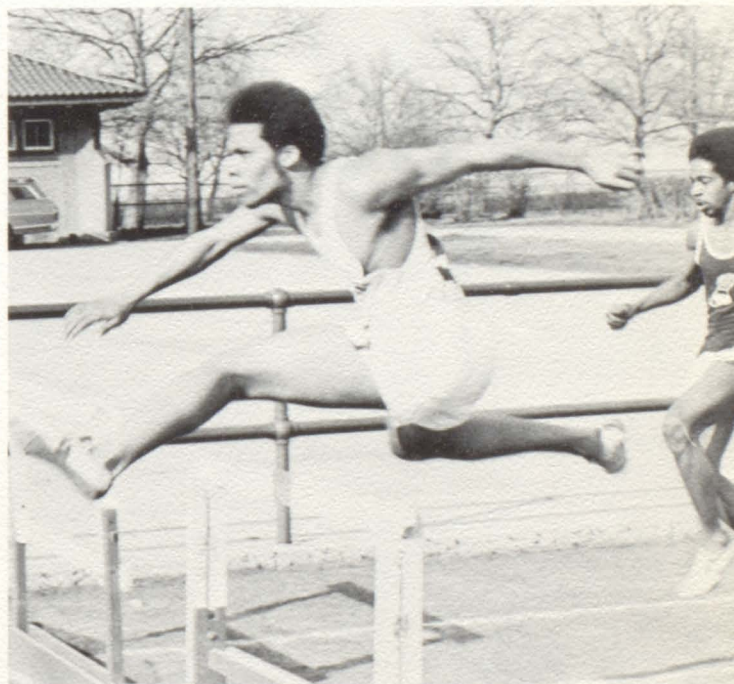

TRACK TEAM

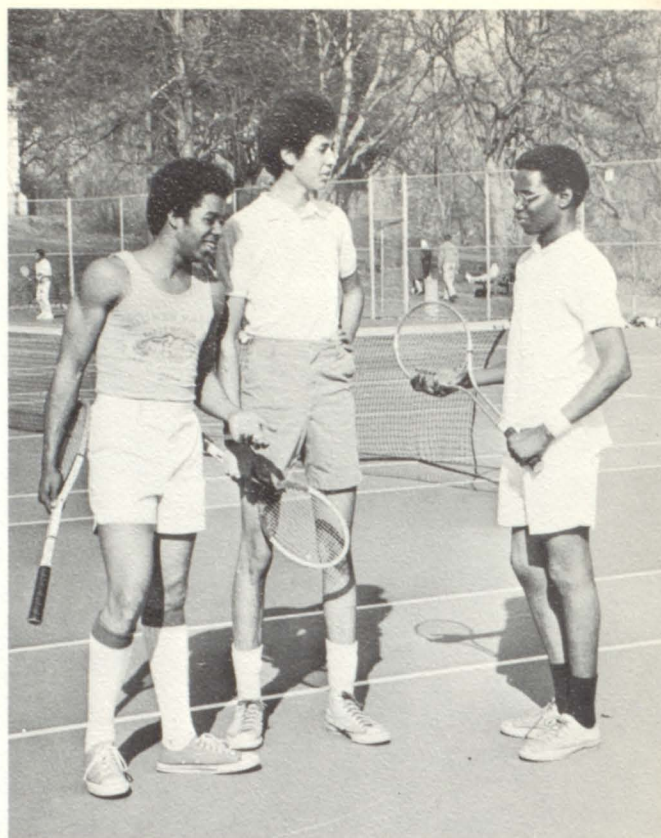

Kneeling: Theron Mayes, John Simmons, Oscar McClain, John Dreher, Daryl Brecks, Ronald Thompkins, Michael Copeland, Sheldon Myers, Lamont Yancey, Craig Stanley, Marc Davis. 1st row: Mr. Marcus, Derrick Washington, Clinton Dunbar, Bruno Lee, Frank Nelson, Reinaldo Padilla, Robin Nathan, Al Cunningham, Tyrone Page, Douglass Austin, Darryl Wade, William McKoy, Martin West, Gregory Atkins, Mr. Grant, Victor Monet. 2nd row: Steven Bethea, Richard Willis, Robert Means, Robert Dixon, Christopher Summerfield, Lamar Green, Richard Battle, Arthur Williams, Leonard Chislum.

TRACK

The track team, coached by Mr. Marcus and Mr. Grant, expects a really good season. Senior Bob Dixon is running the 100, 220 and mile relay. Victor Monet, a senior, is expected to capture a medal in the javelin throw, following a good showing last season. Clinton Dunbar looks promising in the 100 yard dash. Those who have attended any of the meets have been impressed by this team's great will to compete at their very best.

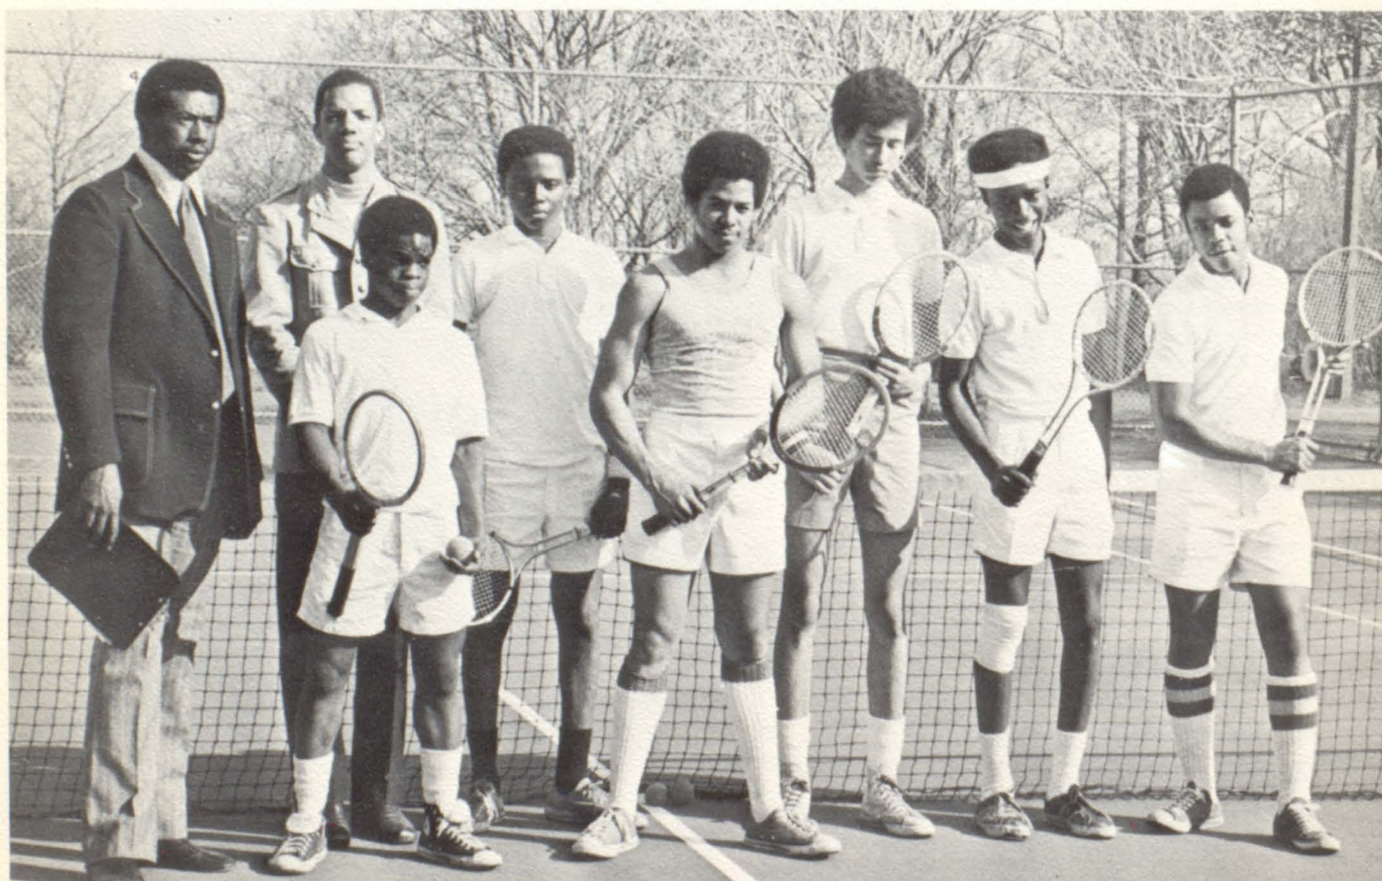

During the months of March, April and May, 1971, some very fine tennis was being played by the Arts High team. Twice a week at West Side Park the members of the team practiced against each other to improve and refine their game. Their fine techniques were developed with much hard work and guidance by Mr. Ben O'Neal. The team ended the season by taking the Newark City League Title. They had a season of 5 wins and one loss. Some of the teams they defeated were Central, South Side, West Side, East Side and Barringer.

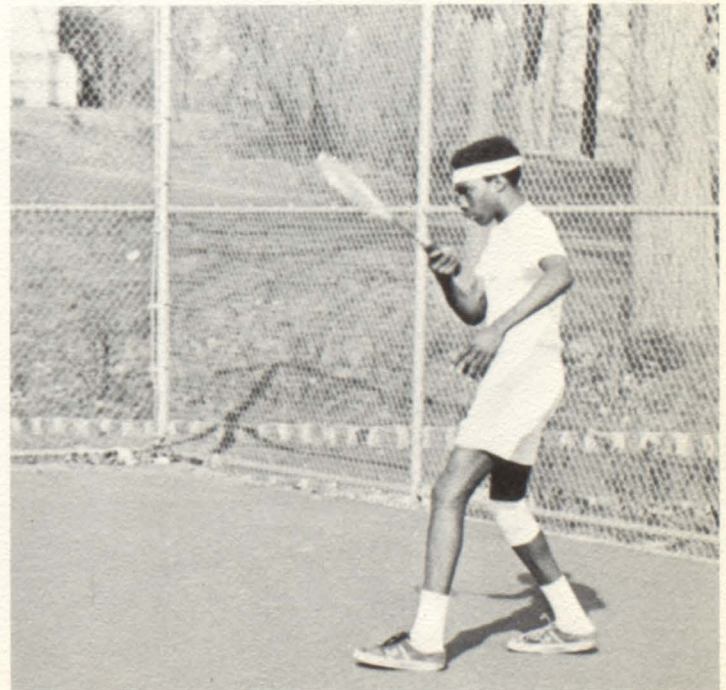

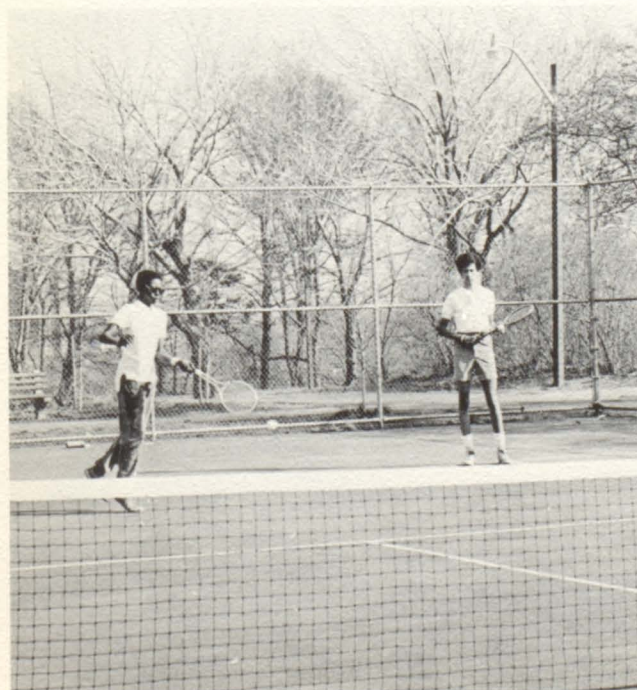

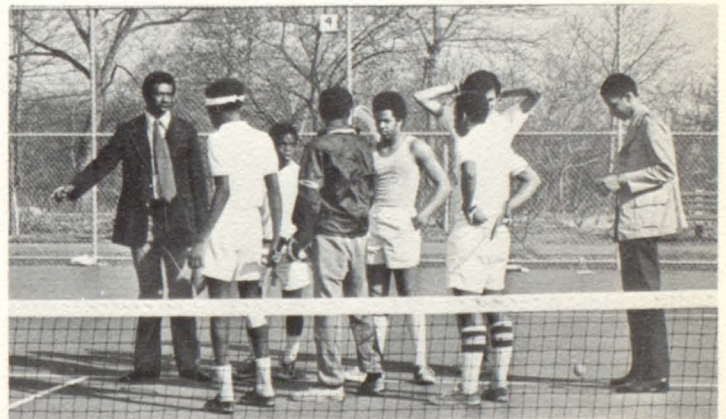

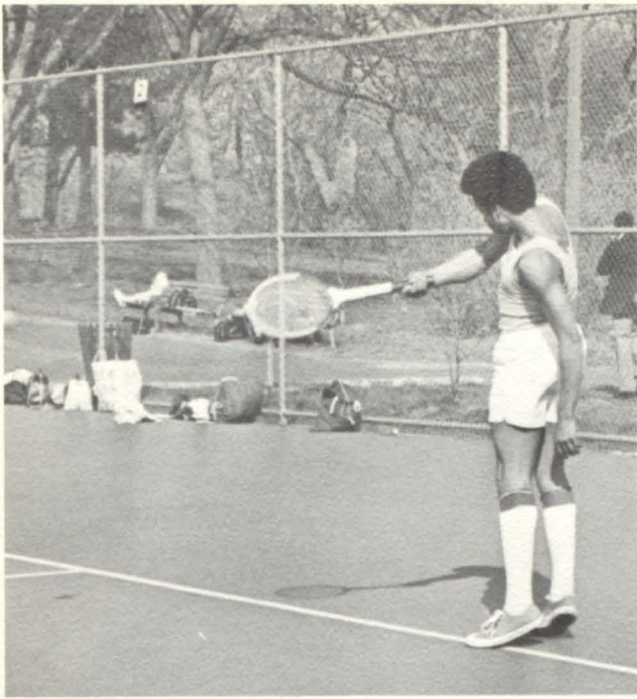

Randy Smith, Lowell Bishop, James Allen.

Coach Ben O'Neal, Carlton Williams, Bradford Brown, James Allen, Randy Smith, Lowell Bishop, Eddie Bright Jr., Leonard Randolph.
